PROFILE

Motivated Computer Science and Engineering student with practical experience in Flutter mobile app development and UI/UX design. Proficient in Dart programming, Android Studio, and Git, with a strong passion for building efficient and user-friendly mobile applications. Seeking opportunities to apply technical skills and contribute to impactful app development projects.

WORK EXPERIENCE

Flutter Course – Programming Ostad

- Completed a structured Flutter course covering mobile app development, UI/UX design, and Dart programming.
- Built hands-on projects implementing app functionality, navigation, and user-friendly interfaces.
- Learned to integrate Firebase and REST APIs for backend features.

Junior App Developer

- Developed mobile applications using Flutter and Dart.
- Designed user-friendly UI/UX for mobile apps.
- Worked with Android Studio and VS Code for coding and debugging.
- Applied Excel for data management and basic analysis in projects.

Academic Projects / Lab Work

- Built small Flutter apps as part of coursework, implementing UI/UX design and app logic.
- Implemented C/C++ programs for data structures and algorithms.
- Used Excel to organize and analyze lab data efficiently.
